

**Department of Materials Science and Engineering Course
Enrollment Approval Form
MSE H194 Honors Undergraduate Research (1-4 units)**

Enrolling instructions:

1. Obtain your MSE faculty sponsor's signature
2. Attach an unofficial copy of your transcript to the Course Enrollment Approval Form for GPA verification (a minimum gpa of 3.3 is required for higher upper division technical courses).
3. Turn in completed form to the MSE department's office (210 HMMB). Once approved and signed by the Department Chair, a course number will be sent to you for you to enroll.
4. Please ensure that you have spoken to your faculty sponsor about course requirements, set goals and expectations for your grade, and check in with them throughout the semester regarding research progress.
